

**A RUGGED FINISH**

This Roundhouse Utbo kitchen has an island worktop in polished concrete in matt lacquer with side panels in patinated corrugated iron. Roundhouse kitchens start from £30,000

**A COHESIVE SCHEME**

Cufford's Palladium Grey Sapienstone ceramic, from \$210 per sq m, is made from ceramic clays and mineral colourings that are heat, light, scratch and chemical resistant.

**UNIQUE DESIGN**

This Modulnova Twenty kitchen in satin beige Tornabuoni lacquer has Caesarstone worktops in Topus Concrete. Prices for Designspace London kitchens start from \$25,000

**A CLEVER LOOK**

A contemporary design by The Myers Touch in collaboration with Ayre Chamberlain Gaunt Architects & Adam Thomas uses a Dekton Keon concrete-effect worktop and splashback in contrast to the stylish black panelled joinery. The Myers Touch kitchens start from \$30,000.
